

## **Sample Health and Safety Policy:**

Management of A-B-C Company is vitally interested in the health and safety of all its employees and guests. A major on-going objective is to protect employees from workplace injury or illness. A-B-C Company will make every effort to provide a healthy and safe work environment. All supervisors and workers must be dedicated to the objective of reducing the risk of injury and illness.

As an employer, A-B-C Company is ultimately responsible for worker health and safety. As president ( owner, president, CEO, etc. ), I give you my personal promise that every reasonable precaution will be taken to protect workers from harm. Supervisors will be held accountable for the health and safety of workers under their supervision. Supervisors are responsible to ensure that machinery and equipment are safe, and that workers follow established safe work practices and procedures. Workers must receive adequate training in their specific work tasks to protect their health and safety.

Every worker must protect his or her health and safety by following the law, and the company's safe work practices and procedures. It is in the best interest of all parties to consider health and safety in every activity. Commitment to health and safety must form an essential part of this organization, from the president to the workers.
